## Opposites

Once there were two men, Mr. Yes and Mr. No.  
When Mr. Yes said one thing, Mr. No said the  
opposite.

When Mr. Yes was happy, Mr. No was sad. When Mr.  
5 Yes cried, Mr. No laughed. When Mr. Yes said he felt  
hot, what do you think Mr. No said? You guessed it!  
He said, "I feel cold."

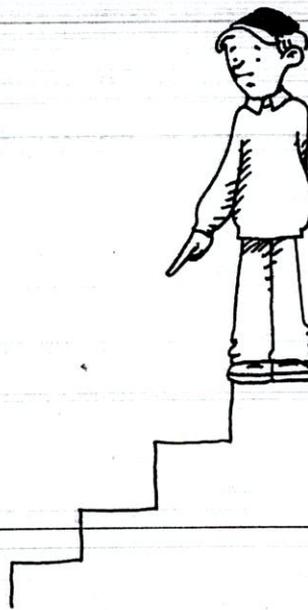

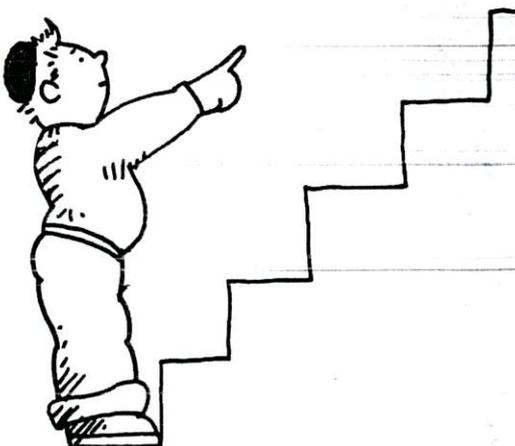

One day Mr. Yes said, "Let's go upstairs."

Mr. No said, "I don't agree. Let's go downstairs."

10 Mr. Yes became very angry. "You never do what I  
want to do. Why do you always disagree with me?"  
he asked.

Mr. No also became very angry. "But you're wrong.  
You never do what I want to do! Why do you always  
15 disagree with me? You and I disagree about  
everything."

Mr. Yes said, "You're right. Do you know what?  
We finally have something to agree about!"
